Bachelor of Engineering: Information Technology (CGPA: 8.41) **2023 – 2026**
V.V.P Engineering College, Rajkot

Diploma Engineering: Computer Engineering (CGPA: 9.23) **2020 – 2023**
Kalyan Polytechnic, Jamnagar

S.S.C. (GSEB) - 86 PR **2019 – 2020**
Sajuba Girls High School, Jamnagar

PROFESSIONAL EXPERIENCE

UI/UX Intern - InfoLabz *January 2026 - April 2026*
-Designed user-friendly and responsive UI layouts using Figma and Canva.
-Worked with HTML, CSS, and JavaScript to create interactive web pages.
-Gained hands-on experience in Adobe Photoshop for basic graphic and visual design tasks.

Web Developer Intern - Jaishree Software *September 2025 - November 2025*
-Developed dynamic and responsive web applications using Vue.js.
-Worked with SQL databases for data management and backend integration.
-Contributed to live projects, gaining practical experience in real-world web development workflows.

React Developer Intern - InfoLabz *July 2025*
-Created reusable and modular UI components using React.js.
-Integrated REST APIs and optimized application performance.
-Implemented routing, state management, and dynamic form handling.

PROJECTS

Responsive Portfolio - HTML, CSS
- Developed a personal portfolio website to showcase skills and projects with a responsive user interface.
- Demonstrated front-end development and design skills through visually appealing layouts.
- Focused on clean, maintainable code and user-centered design principles.

RoamRight Project - UI/UX, Web Application
- Designed a modern travel planning web application with user-friendly UI/UX principles.
- Enabled users to explore destinations, plan trips, and manage travel experiences efficiently.
- Implemented responsive design, secure authentication, and an admin panel for system management.
